

Whitegate Primary and Nursery School

Curriculum Intent

Our thematic curriculum is delivered through the drivers of:

History

(A sense of time)

Geography

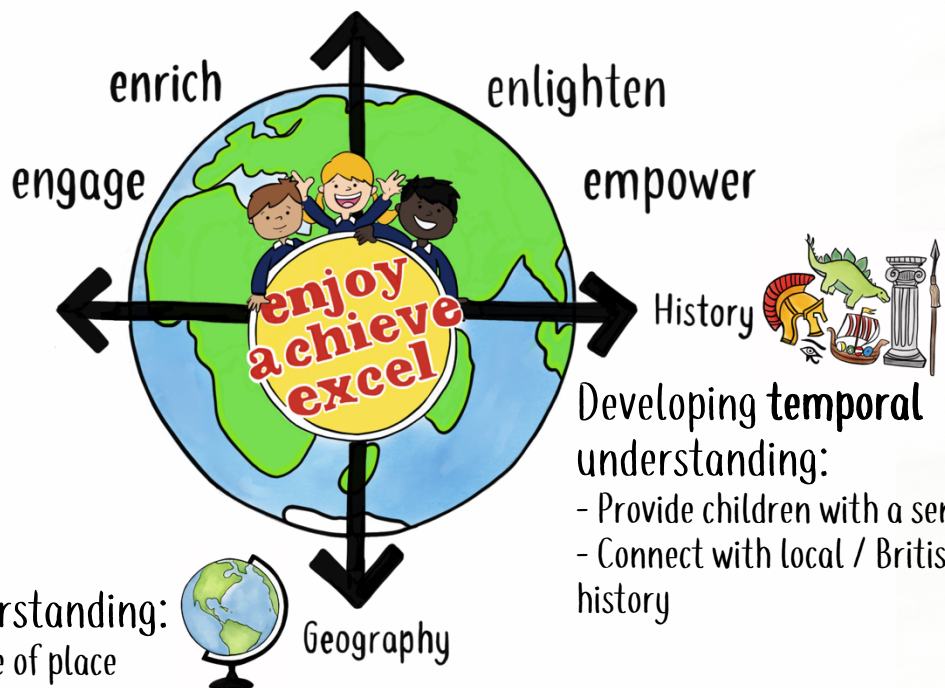

(A sense of place)

Citizenship

(A sense of belonging)

By **discovering** the events of the past and **exploring** the world around them, we aim for children to continually develop their sense of identity and **belonging**.

Developing **spatial** understanding:

- Provide children with a sense of place
- Connect with their own identity
- Connect at a local / national / international level

Developing **temporal** understanding:

- Provide children with a sense of time.
- Connect with local / British / World history
